

## Creative Team

EnterAktion Studios' creative department is led by award winning Director, Writer, Producer Tom Walsh. Under his supervision, EnterAktion Studios has built an in-house creative team including a Creature Department, Story Department, Art Department, Animation Production Department, Music Department and Post Production Department.

This talented team is responsible for creating, writing, designing, producing and animating all of EnterAktion Studios' motion picture, television, videogame and web entertainment projects in-house.

EnterAktion Studios hires creative team members who think "outside of the box" and have creative vision. The main goal of this creative team is for EnterAktion Studios' projects to transport audiences into fantastical worlds, taking them on incredible adventures while meeting colorful, never before seen, creatures along the way.
