Losopolis:

11-year-old Kyra and her 9-year-old brother Brennan must spend a few days at their grandmother's while their mother is away on a business trip. However, their ordinary visit to grandma's apartment soon becomes *extraordinary* when they realize their mother has mysteriously vanished! Through the help of a strange looking elevator operator, the kids stumble upon an entirely different universe filled with wild and imaginative characters. This is one adventure that is sure to be unparalleled to any you have been on before.

Think of *Losopolis* as "The Wizard of Oz" meets "Harry Potter", all located in the "Twilight Zone". It contains more than 85 original creatures and over 9 fascinating worlds, all having been specifically designed for this unique project.
