

## Meet the Partners

### Tom Walsh

Co-Chairman/CEO  
Writer/Director/Producer

Tom Walsh is the principal creator of the fantastical and colorful worlds of the many EnterAktion Studios projects. Tom has created over 320 original creatures and characters, and created and wrote fourteen original motion picture and television properties. In January 2010, Tom Walsh completed Directing, Producing and Co-Writing the computer animated motion picture, "Dwegons". Under Tom Walsh's direction, the movie's final production budget came in approximately 16% under budget.

Currently, Tom Walsh is directing and producing the computer animated motion picture, "Losopolis". Tom, along with co-writing the screenplay for this movie, created the "Losopolis" world, key characters and original story.
